INTERLINK MINISTRIES, INC.

Christen begegnen Muslimen

Dear friends,

We wish you a blessed New Year! How time seems to pass quickly. This year we will have been in Switzerland for 10 years.

Oliver and Alice just celebrated their 21st and 19th birthdays. Oliver is in his last year of his apprenticeship as a design engineer. Pray for him as he works to complete the required test, projects and course work for his apprenticeship in early summer. Alice is in her second year of a four year apprenticeship as a finishing carpenter. Pray for her too in her studies, hands-on courses and for safety on the job.

New Network Cables

I have almost completed the project to replace the network cables at the MEOS offices with gigabit capable ones. Just a few details to finish. Little things like a cable tray cover that needs cut to fit properly and an old network cable that needs to be removed.

Calendar Season

Each year MEOS Medien (medien.meos.ch) has as part of its year end seasonal assortment calendars in a number of languages. This year 2019 calendars were available in 35 languages. Daily tear-off devotional, postcard and scripture picture calendars were available. In fact some still are at a discount, since the new year has

started.

Calendars are a practical way to give God's Word in a way that it will make an impact for the whole year. Churches and individuals give calendars to people in their workplace and community. Some churches do this at Christmas markets.

German Course with the Bible

For 10 years in addition to the two hour German course there is also the "Learn German with the Bible" that over 30 immigrants choose to attend after the normal two hour course. Now, MEOS has published a brochure with helpful tips to help others duplicate this ministry.

Thanks for being a part of our ministry!

Frederick and Marlies Henderson
