INTERLINK MINISTRIES,

Christen begegnen Muslimen

December 2014

Dear friends,

May God bless you and keep you in this Christmas season and in the coming year!

When we meet people we have a tendency to put them in a box or label them. This maybe a cultural box or a personality box or other boxes that society likes to sort people by.

We must remember that God made us all individuals. Each one unique. When you meet someone new (especially someone that is not in your box) try to, instead of putting them in a box, to find out what makes them special and unique.

I have to wonder if we were on the earth when Jesus was born or during his life on earth what box we would have put Him in. People put Jesus in boxes; illegitimate, blasphemer, lawbreaker, etc. which were not true. He asked His disciples, What box do you put me in (Who do you say I am)? The answer Peter gave, The son of God! That is a powerful box! What box do you have Jesus in this Christmas?

Gjevalin Kabashi my coworker at MEOS, who was fighting two types of lymphoma, passed on to place where he will suffer no more on September 25, 2014. He was 51. Gjevalin worked with MEOS for 21 years, taking care of the technical details so that others could reach people of other cultures for Christ. However being from an inter-cultural background and being able to speak Albanian, he too was able to personally reach people

Gjevalin Kabashi (+51)

for Christ. Gjevalin's promotion to heaven leaves a big hole in MEOS. Please pray that God will provide wisdom and resources as we move forward.

As 2014 draws to a close, I want to send out a thank you to all that have supported our ministry this year in prayer and financially. Without your support we could not continue to do this work that God has called us to. I thank God for each and everyone of you. Thanks for your continued prayer and support of our mission's work. May God richly bless you!

Merry Christmas to you and yours and a blessed New Year in 2015!
