Christen begegnen Muslimen

September 2018

Dear friends,

Recently reading through 1. Sam. 15:10-11 caused me to think, if God could regret having made Saul king is there anything that God has called me to do that He regrets? Have I turned from truly following Him and not obeyed? It reminded me of Galatians 6:9, where Paul commends us to not grow weary in doing good, because if we do not give up we will reap!

New Software – New Cables

A wise man once said: “Change is the only constant thing in life.” A change in the software that MEOS will be using to do bookkeeping and contact management has put the development of a new medien.meos.ch on hold. In the meantime I have been asked to reorganize and replace the aging network cables at the MEOS offices.

US Furlough in 2018

Summer is past and I (Frederick) am back in Switzerland after a furlough in the USA. I was there from the middle of June to the middle of August.

I was able to connect with many of you, that have faithfully supported us for many years in our missions work, during my time in the USA. Thank you all once again for your hospitality and generosity during my stay.

Also while I was in the USA my grandfather,

who we all called Pappy, went home to be with the Lord at the age of 92, he would have been 93 this month.

Celebration Time!

This month MEOS will celebrate a number of anniversaries by having an Open House on September 22 - 23. MEOS will celebrate, 55 years; Christians meeting Muslims, 15 years; and both African Link & Mundo Gospel, 10 years. We thank the Lord that MEOS and these ministries of MEOS are still going strong for HIM!

God bless you as you continue to serve HIM!
Thanks for being a part of our ministry!
